SHALOM!

Last Saturday I preached at my friend's installation and he asked that my sermon be about the great commission in Matthew 28 and use a Star Trek as a theme. One thing that struck me as I was preparing the sermon was how perfect of an image the research vessel was. Enterprise D was a research vessel and its crew were researchers in their various fields. You and I are researchers of how God's gifts bring us into direct contact with God and the resurrected Jesus Christ. We gather around God's Word, Baptism, the Lord's Supper, and Forgiveness of sins so we can research how these things impact our lives and the lives of our neighbors and how they connect us to the loving, living, and reigning Jesus Christ. We boldly go to help our neighbors become researchers of the living God and his gifts. Shepherd of the Valley is a research crew discovering how to create life and possibility in Jesus Christ. We boldly go where no man has gone before- resurrection and eternal life, research what that means for you and your neighbor.

Peace,
Fellow researcher & Captain, Pastor Eric

Giving Garden News

132 pounds of produce from the Giving Garden including apples from our 'back garden' neighbors, Gordon and Donna Stevenson. Today harvest included: tomatoes, lettuce, spinach, chard, beans, and melons. The Giving Garden continues to be such a blessing to our community!

The next work day is scheduled, weather dependent, for Tuesday, October 16th from 9:00-11:00 a.m. Still lots of work to prepare the garden for its 'dormant' period. If you feel Mother Earth calling, come on out to the garden and play in the dirt!

FREE Event

October 13th

8:30 a.m. - 12:30 p.m.

This is a great way to learn how to practically engage with the various needs of our community. There will be 14 free workshops offered by individuals who are experts in their area. Please see the information on the bulletin boards or contact the church office.

All Saints Sunday

Those who have died in the faith are on the other side of the great Eucharistic feast, they are in the presence of God. We look forward to

Christ's return and our resurrection because we will be united again with our loved ones and our fellow brothers and sisters in Christ. Please bring a photo of family or friends who have passed away in the faith so we can remember them on **All Saints Sunday**, Nov. 4th.

Donna Durbin delivered 17 knitted caps to the Cancer Center today. If you find that you have some extra time and you enjoy knitting or crocheting, talk with Donna as she would be happy to share the pattern with you. These hats are real blessing to those undergoing treatment. Thank you!!
