Shalom!

I had such a great time at the Best Practices conference in Phoenix, AZ. Usually a dry and warm event the folks from Oregon brought the cold and rainy weather of Oregon with us. But that didn't stop Christ Lutheran from lavishing love and encouragement on us. They feed all 2,000 + attendees breakfast, lunch, and dinner and it was exceptional food. They fed us pretzels, churros, frozen yogurt, and much more between meals. There was a salad bar open the entire conference time. I heard people saying they skipped breakfast the last day because they were so full from the previous days. There was live polka, mariachi, marimba, and other types of music being performed. The worship was great and people heard plenary speakers share Jesus and encouragement throughout the conference.

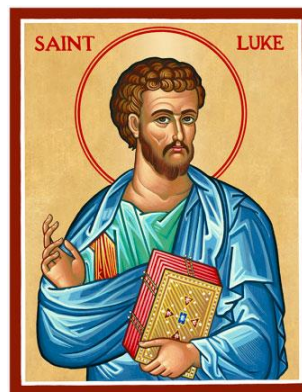

I was pleasantly surprised by how many people I ran into at the conference. The conference wasn't just for pastors so teachers, DCE's, musicians, Deacons, and lay people were all there. An old youth leader volunteer from my high school days was in one of my sessions and we reconnected! He is now a pastor in Michigan. I attended some great sessions on modern liturgy and worship, video production, and prayer and the brain. Char attended some sessions while my mom, my aunts, and grandfather watched the kids. I loved being with such a broad group of people who are serving God's church. I would love to have a team from SVLC attend next year.

Why did the church offer this conference for free and lavish so much on us? Pastor Schrank said in his sermon on Sunday that loving so unconditionally can truly affect people for the better and believes that by running a conference this way, people would leave mentally and spiritually different. They would leave encouraged, empowered, and given some new tools or ideas for their ministry context. I have to say he is right.

## From your Property Committee

A new floor for the fellowship room may soon be a reality. The council approved a motion to replace the Fellowship Hall carpet with laminate flooring. You saw the sample at the voters meeting. We are accepting the donation of material and will purchase the remaining needed to cover the area.

Material is only a portion of the project cost. Preparing the surface costs as much as the total cost of material. Depending upon installation bids the project may cost \$5000-\$6000. The project budget was set at \$2000 and just as soon as the remaining \$4000 is available the project will start.

If you would like to contribute to the cost of the new floor, please designate that on your special offering.

## Ash Wednesday and Lenten Worship

Ash Wednesday worship will take place on March 6<sup>th</sup> at 7:00 p.m. Lenten Worship Services will begin March 13<sup>th</sup> at 7:00 p.m. Six of our circuit pastors will rotate among their churches to lead one of the Lenten Services. Each pastor will preach at his own church on Ash Wednesday.

Soup Suppers will begin on March 13<sup>th</sup> at 6:00 p.m. Soup Supper sign-up sheets (say that fast three times!!) are available on the bulletin board outside the sanctuary. Invite your friends and join together for fellowship and worship.
